President's Welcome

The Queensland Rose Society would like to invite all Rose Society members to attend the 2010 National Rose Show.

With members from through out the state, the Queensland Rose Society has two subsidiary Societies, The Gold Coast Rose Society and the Darling Downs Rose Society. The members of each of these Rose Societies travel from far to exhibit at each of the shows. This means that when you attend the Australian Rose Championships in Brisbane you will see roses grown in many differing microclimates from Queensland as well as those who have travelled from interstate.

We have organised special rates at the Hotel Grand Chancellor for guests of the Championships. All of the functions will be held at this event except for the Championship Show which will be at the Botanic Gardens at Mt Coot-tha. We look forward to seeing you there.
